PLC

MU200 Series

# 4 Major Product Features

## 01 Excellent performance Widespread application

MU200-3232BTA

MU200-8AD

MU200-4DA

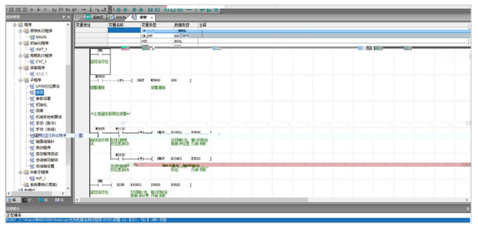

MU200-0016ETN

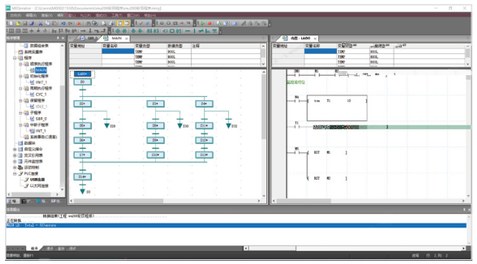

# 04 Simplified programming
## Upgrading of function

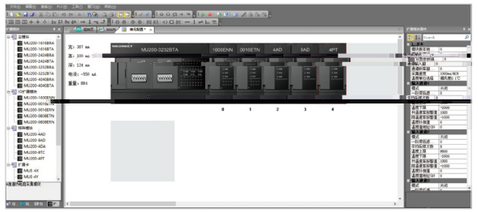

Support online modification and incremental compilation to improve compilation efficiency;

User-program can pinpoint errors for finding and

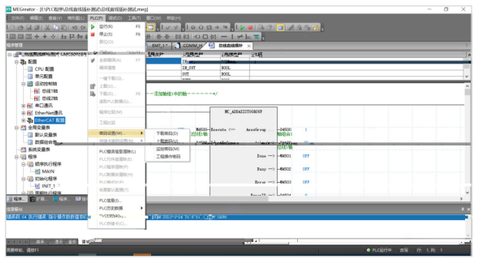

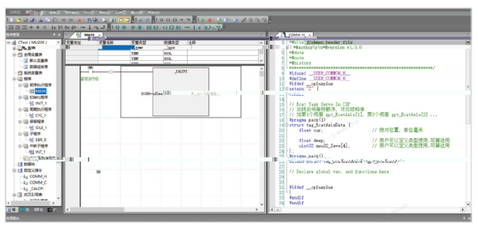

The more convenient and intuitive configuration, the more flexible operation.

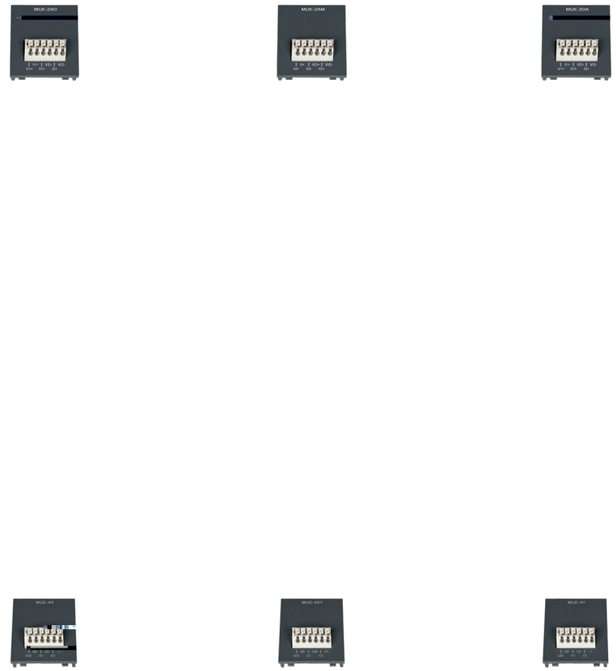

be configured through table without invoking complex

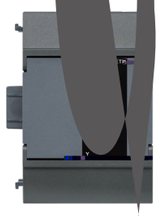

user-defined function instruction.
